TO SUPPORT  
THE COMMUNITY HOSPICE

The Community Hospice Light-A-Life program is a new heartwarming tradition for community members to memorialize a loved one during the holiday season. With your gift of \$25, two holiday memorial tags with your loved one's name will be made. One will be hung on the tree at the tree lighting ceremony, the second is for you to bring home.

Please fill out the enclosed form to purchase a holiday memorial tag in memory of your loved one. You may also indicate the name and address of the person you would like to be notified of this special gift.

A cardinal represents a loved one who has passed. When you see one, it means they are visiting you. They usually show up when you most need them or miss them. They also make an appearance during times of celebration as well as despair to let you know they will always be there.

This beautiful night light with cardinals will be a warm reminder of your special loved one. We will have a limited number of these available the night of the tree lighting for an additional \$25 purchase.
